MEDIA COMPANY

MULTI-MEDIA CREATIVE AGENCY

Seacoast Media Company is a media, production and communications agency in Iraq made up of highly skilled individuals with over 64 combined years of experience working in the United States, Europe and the Middle East.

Established in December 2014, Seacoast offers the full spectrum of media services. Skilled in communications, the team builds media campaigns encompassing print and graphic design for collateral, social media management and creates all content for fully integrated marketing communication strategies. Our multi-media designers develop apps and offer video production, video editing, photography and videography to support varied client's content requirements.

Seacoast has its own in-house media studio where the team has cemented its reputation for producing high quality commercials and TV promotions for local and international TV and satellite channels, including programme editing, titling, credits and graphic design for individual programmes.

With our extensive media expertise on government campaigns over the last five years, our media training for public facing individuals, including the Iraqi government departments and ministries, is second to none.
